MARCH LUNCHEON

BTECH CUSTOM FIT PRESENTS

FRONT LINE LEADERSHIP

Learn how to take your leadership skills to the next level with this course presented by Sterling Petersen. He'll be focusing on leading in a proactive, assertive and positive manner.

Sterling Petersen originates from Northern Utah with many years of experience in corporate training practices and professional entertainment. His admiration for people has motivated and focused his attention in several areas dealing
with human relations. Upon his completion of Utah State University's Business programs, in Marketing and Human Resource Management, Sterling continued his education at USU by obtaining a Masters Degree in Instructional Technology. Sterling's education and experience cover many areas such as: conflict resolution, team development, communication, stress management, self-esteem, interpersonal styles, workplace safety, quality control, etc. Sterling is currently employed at Bridgerland Technical College in the Custom Fit Department where he assists companies with their training and development needs.

When: Tuesday, March 10, 11:55 am
Where: Bridgerland Technical College, 1301 N 600 W, Logan, UT 84341
